

License Agreement

This is a license agreement between you and Bruce P. Lester ("the Licensor") regarding the C* Compiler and Parallel Computer Simulation System ("the Software").

License Grant

The Licensor grants you a nonexclusive license to use one copy of the Software on a single computer (whether a standard computer or a workstation component of a multi-user network). The Software is in use on a computer when it is loaded into temporary memory (RAM) or installed into permanent memory (hard-disk, CD-ROM, or other storage device). The Licensor retains all rights not expressly granted herein.

Ownership

The Licensor is owner of all right, title, and interest, including copyright to the Software.

Restrictions on Use

- You may only make one copy of the Software for backup or archival purposes.
- You may not sell, distribute, rent, sublicense, or lease the software.
- You may not alter, modify, or adapt the software, including but not limited to translating, decompiling, disassembling, or creating derivative works.
- To protect the Author's copyrights in the Software, you agree to reproduce and incorporate the Author's copyright notice in any copies or partial copies.

Limited Warranty

The Software is provided "as is" without warranty of any kind, either expressed or implied, including, but not limited to, the implied warranties of merchantability and fitness for a particular purpose. The entire risk as to the quality and performance of the Software is with you. Should the Software prove defective, you (and not the Licensor or any authorized distributor) assume the entire cost of all necessary servicing, repair, or correction.

In no event will the Licensor be liable to you for any damages, including any lost profits, lost savings, or other incidental or consequential damages arising out of the use or inability to use the Software, even if the Licensor (or an authorized distributor) has been advised of the possibility of such damages, or for any claim by any other party. You hereby agree that the Author's liability arising out of contract, negligence, strict liability in tort or warranty shall not exceed any amounts payable by you for the Software.

Termination and Governance

This License Agreement shall automatically terminate upon a violation of any provision of this License Agreement by you.

This Agreement and performance hereunder shall be governed by the laws of the State of New York.
